## Bullying/Cyberbullying Policy

The Board of Trustees recognizes the importance of a safe school environment to the education process of Alliance for Progress Charter School. The Board has determined that a safe and civil environment in school is necessary for students to learn and achieve high academic standards; bullying, like other disruptive or violent behaviors, is conduct that disrupts both a student's ability to learn and a school's ability to educate its students in a safe environment; and since students learn by example, school administrators, faculty, staff and volunteers should be commended for demonstrating appropriate behavior, treating others with civility and respect and refusing to tolerate bullying. The policy detailed herein, is adopted to ensure compliance with HB 1067 (PA) Amending "Article XIII A Safe Schools" in the Pennsylvania School Code of 1949 that requires each school entity to adopt a policy related to bullying. The purpose of this policy is to maintain a healthy, safe, and positive school environment that is conducive to learning; to ensure that school administrators, teachers, and staff take appropriate measures to prevent and intervene in incidents of bullying and harassment; and to prohibit the reprisal or retaliation against individuals who report these acts.
