## ENROLLMENT AND RE-ENROLLMENT POLICY

### Enrollment Policy:

#### A. Applying for Admission

Alliance for Progress Charter School uses Apply Philly Charter (APC) to manage its lottery and waitlist. Beginning with enrollment into the 2026-27 school year, APC will utilize a “ranked choice” or “Single Best Offer” (SBO) process. When families apply through APC, they submit a ranked list of their preferred charter schools that participate in the lottery, listed in order of preference (e.g., 1st choice, 2nd choice, etc.). The APC system makes offers to students for their highest-ranked school where there is an available seat and/or their desired Renaissance school, based on each school's individual lottery structure and the student's random lottery number, if applicable. Students are placed on waitlists only for schools ranked higher on their application than the school where they got an offer. For additional information and support, please visit [applyphillycharter.org](http://applyphillycharter.org) or call 1 (800) 891-3999.

The application process only involves submitting the application form by the deadline. No interview, school tour, information session, or fee is required.

Once the application is submitted, the applicant will receive an email or text message confirmation. Applicants who are unable to provide an email address will receive confirmation of their application submission via postal mail to the address recorded on the application.

All complete applications submitted after the close of the application window may be admitted to the school in the order received only after Alliance for Progress Charter School has exhausted the waiting list of students whose applications were received by the deadline.

An applicant will be permitted to attend school the next school day after the day on which the child is presented for enrollment, only if there is no waiting list and all required documentation is submitted prior to the anticipated start date. In such case, the student will be admitted within five (5) business days of the school's receipt of the required documentation.

#### B. How is Application Data Stored?

In accordance with applicable laws (FERPA, PPRA, COPPA), applicant data is maintained through the Apply Philly Charter system. Applicant data will not be shared with any schools to which the applicant did not apply.

## C. Lottery

Apply Philly Charter will manage lottery data for Alliance for Progress Charter School.

All remaining students that were NOT selected in the lottery will be placed on the waiting list in order of the lottery results. *If a student is accepted from the waitlist, they have one week to respond and/or submit enrollment documentation to confirm their seat*

Any student who applies after the application deadline listed above will be placed on the waiting list after those students who applied before the application deadline on a first come first served basis. *The waiting list is valid for one school year only and is based on current year applications.*

We do not require school-wide re-enrollment paperwork for each school year. All students currently enrolled and attending Alliance for Progress Charter School automatically re-enroll for the following school year. Please see the re-enrollment policy in Section F.

## D. Lottery Preferences

As required by PA charter school law, Alliance for Progress Charter School uses a lottery system for admitting its students.

**Sibling Preference:** *In order to be eligible for the sibling preference, the applicant must be related to a current student in one of the following ways: 1.) has a shared legal guardian or there is shared legal custody of both students by a common individual or 2.) is a half sibling, step sibling, or biological sibling. Residing at the same address as a current student alone does not make an applicant eligible for the sibling preference. In order to be eligible, applicants must indicate the sibling preference on their application. Alliance for Progress Charter School will not retroactively apply sibling preference for anyone who did not request the sibling preference at the time of application prior to the application deadline. Alliance for Progress Charter School reserves the right to determine if a student is eligible for sibling preference. Siblings of currently enrolled students will be placed on a priority list before the lottery. Preference will be extended from newly enrolled students to their siblings, provided that all siblings seeking enrollment submitted applications prior to the application deadline and indicated the sibling relationship on the original application. Once the sibling selected in the lottery has submitted complete enrollment paperwork to the school, any of his/her eligible siblings will then be placed at the top of the waiting list (by the lottery order of the not-yet-enrolled sibling if more than one such applicant is on the waiting list at a time).*

**Employee Preference:** *In order to be eligible for the employee preference, the applicant must be related to a current Alliance for Progress Charter School employee in one of the following ways: 1.) biological, adopted or stepchild 2.) employee has legal custody or legal guardianship of student. Residing at the same address as a current employee alone does not make an applicant eligible for the employee preference. In order to be eligible, applicants must indicate the employee preference on their application. Alliance for Progress Charter School will not retroactively apply employee preference for anyone who did not request the employee preference at the time of application prior to the application deadline. Alliance for Progress Charter School reserves the right to determine if a student is eligible*
